

## COVID\_19 Response

### How we are keeping our facilities clean

Our Staff is working hard to clean and sanitize all hard surfaces in our laundry.

Customers must adhere to the recommended safe social distancing of six feet while in our facility. Therefore we will ask that you wait in your vehicle or outdoors during your wash and dry cycles and that you wait and fold your laundry when arrive at home. We will provide plastic bags, If needed to assist in transporting your unfolded items.

Machines will be available on first come first serve basis. Please be patient and considerate of other customers and our staff, We may at times limit customers in our laundry to the recommended maximum of ten people at a time.

This includes children so we ask that you limit the number of family members in the laundry.

Our thoughts and prayers are with all of the families and individuals whose lives and livelihoods have been affected by Covid-19. Be safe and be strong!

The management and staff

-----

Uptown Laundry Service will remain open during this ongoing health crisis. Your health and the health of our employees are our highest concerns, and we have made a few adjustments to our services in accordance with the national health guidelines.

We are offering pickup and delivery, as well as curbside pickup and delivery for all of our services. Please call for more details, as well as before and drop offs or pickups

Uptown Laundry thanks you for your understanding.
